Prop to Year 2 (except for students born 2008) return to school

Prop to Year 3

Return to school

1:00pm: Lunch

1:30pm: Ball games – Prep to Year 3

Presentations

A few basic reminders for our Sports Day:
- All children should wear their sports uniform: T-shirt, shorts, and sports shoes.
- Children will be provided with water bottles.
- Children are allowed to wear blue or green hair spray provided they do so with parental permission and supervision. Children must not bring spray paint to school.
- Sunscreen: children are not to cover their entire face with blue or green sunscreen, or to have sun paint markings.
- Children are responsible for all their possessions on Sports Day. Please make sure that hats, shoes, shirts and coats are clearly marked so lost property can be returned.

Water in coolers will be available on Sports Day. Rubbish bins are also provided.

As there are school days if you wish to take your child early you must inform the main office where we can arrange for children to have left and be signed out. Children are under our supervision and care.

Tuckshop will be available on Wednesday for second break only. Students will need to supply their own lunch for first break.

Sunscreen will be available. Children must sit in their allocated areas and will need teacher permission to leave the area.

This Newsletter is Sponsored by P & C Association
Dear Parents and Carers,

Next week class 6A moves into the library so that their room can be air-conditioned. The office will remain in its position with the rest of the veranda being closed off. In the last week of school all of Block E (two-storey) will move out for the new and refurbishing of air-conditioners. More information will be available in the next newsletter identifying where the classes will be for the week.

The school athletics carnival begins next week on Tuesday with the students competing in the field events and younger students be participating in the afternoon ball games. On Wednesday the whole school walks (9.00am sharp) to the Tolga Reserve for the running events and then back to school for the senior ball games. Younger students are generally brought back to school a little earlier than the older students to prepare for the afternoon. If all goes well then we will have the house presentations and age champions in the afternoon.

Please note: if parents intend to take their students home after their events from the sports then you must inform the main tent where we can register that the children have left. The roll is taken before the children leave the school grounds and will be rechecked before going back to school by class teachers. Please ensure that hats and coats are named. Each child should have their water bottles and lunch with time for eating down at the field. We are usually back about 1.00pm for a small break before the events in the afternoon.

Parents as we move towards the end of this long term and with the excitement of the sports, can I ask all of you to have a chat to your children about continuing their good behaviour at school both in the classroom and the playground.

To finish off I wish Tandara and Tinaroo houses the best for the carnivals and I hope all who attend have a great time.

Regards,
Kayleen Wright
Principal

Dear Parents, Carers, Teachers, Volunteers, Cairns Brass and Performers,
Thank you! Thank you so much for all of your efforts on Saturday night. It was a great night of music and I am so very proud of your children as they performed fantastically. A massive thank you to Cairns Brass for coming up to perform for us. We’re already excited for next year!

Again to our sponsors, those who volunteered at times during the day, those who attended and purchased food and raffle tickets, thank you! Thank you to our food coordinator, Sarina Norris, our Raffle coordinator, Tam Vallance, our Volunteers Coordinator, Jorg Edsen, our MC Gil Jansen and our P&C President who over saw the whole process, Andrew Dennis. Thank you to Tony Whybird and ASHS for use of the Hall and to Nick Shirley and ASPS for the extra music stands! I will keep you all updated with the new equipment we are now able to purchase with our money.

If you have any feedback to give for the running of the night, please don’t hesitate to email me. The organising committee are having a meeting this afternoon to debrief and discuss changes we may need to make next year. Your input is greatly appreciated and we will do our best to improve however we can for future events.

Thank you so much again for all of your support!

Kind regards,
Eleisha Anthony

School Kids Jokes
TEACHER: Donald, what is the chemical formula for water?
DONALD: H I J K L M N O.
TEACHER: What are you talking about?
DONALD: Yesterday you said it’s H to O

WE NEED HELP FOR SPORTS DAY
On Wednesday, 15 June from 8 am, we need help assembling and later dismantling the marquees at the Tolga Sports Reserve. If you are able to give us a hand, please make yourself known to staff on the day.

Thank you.
