**Wed 07/09**
Julie So Choy

**Thurs 08/09**
Paula Barlotta

If you are unable to work on your rostered day, please call Casey on 0429 148 357.
Dear Parents/Carers,

Today we celebrate our Fancy Dress dance event which was held last Friday night and sponsored by the P&C. The students performed their dances with great energy and enthusiasm. Well done to all!

During the week Year 4/5 presented a mini Olympics to some of the younger grades. Students who participated were actively engaged in the activities and enjoyed working with the older students.

Our next event at school is the under 8’s day on Friday 9th September. This event has been advertised in the local paper and is open to children from the community to attend who are under 8 years of age.

We are currently taking registrations for prep classes for next year – it is great to have these as early as possible so that we have our staffing correct for 2017. Enrolment papers are available through the office and off the website. We still have a few places open for the out of catchment prep students. Our open prep day is coming up, be sure to mark your calendar for this learning celebration for all of our new little folk who are starting school in 2017.

We welcome Mrs Janet Lambourne to Year 3/4 for 4 weeks while Mrs Janet Bathgate is on long service leave. Mrs Jean Partridge is also on long service leave with Mrs Andreanna Klein taking on this contract until after the holidays.

Parents please remind your children about the rules of school of being respectful, responsible and safe at all times when coming to and from school and whilst at school. This is especially important when travelling on Catherine and Main Street. Catherine Street is an extremely busy thoroughfare. I am requesting parents to be aware of your surrounds especially at the moment when we near the end of term and everybody is a little tired and in a hurry. At the moment discussions are occurring on how to remedy some of the issues that people face every morning and afternoon on the streets surrounding our school.

Parents have you had a catch up with your child’s teacher this term? With only two weeks to go until the end of the term, it is a great time to make an appointment.

The air-conditioning work that has been occurring over the last month or so is nearly complete. All classrooms are now air-conditioned and ready for what appears to be a warm spring and hot summer.

I hope everybody has a great weekend,

Regards,

Kayleen Wright
