End of Term 3
16/09

Year 4/5C and 5A Daradgee Camp
From Wednesday 20th to Friday 22nd Year 4/5 and 5A travelled to Daradgee Environmental Education Centre near Innisfail. Students participated in a variety of activities including top roping, boating, catapults and team challenges. Highlights included students achieving their goal of reaching the summit of the top roping course and seeing 'Brutus' a four metre plus saltwater crocodile in the wild. We would like to take this opportunity to thank the parents who attended, Matt Brown, Peter Green, Daniel Cook, Cherie Mills, Heidi Baker and Kylie Coleman.

Thanks,
Katrina
Dear Parents and Carers,

This has been another great week for the students! With Tolga Tinaroo Team winning the ball games trophy at District Sports. The students demonstrated great sportsmanship and excellent behaviour. Well done to all!

At the end of last term two groups of students went to the Cairns Eisteddfod to perform in the Choral and Choric speaking groups. The Choir came home with a highly commended and the Choric speakers were awarded a third place. Well done to all of them!

NAPLAN reports have been sent out to schools and as soon as we receive these reports we will send them home. Tolga State School has received a congratulations for a 70% improvement above the Nation’s results. Well done to all of our teachers and to the children whose efforts have been extraordinary.

Parents, the school is about to do a review and update of the Responsible Behaviour Plan and the Learning and Wellbeing framework for the school. Whenever these reviews are undertaken it is always requested that parents are involved in a working party to help develop the plan and incorporate parental views with the school view. If you would like to join one of these two groups please ring the office and register.

I would like to thank all of those families who have given me their values survey sheets over the last week. Collation is beginning and there still is time to send them back to be included. If your survey has gone missing – the office has spares.

Prep enrolments for 2017 are now open.

I hope everybody has a great weekend!

Regards,
Kayleen Wright
Principal
