Felt Art Exhibition at Tolga Woodworks

Year 2A’s felting exhibition opens at the Tolga Woodworks on Tuesday 15th November. The students have been busy designing and creating works of art which are stunning and well worth a visit. The exhibition will run for a couple of weeks.
Dear Parents and Carers,

Today the Year 5’s who had nominated for student leaders for 2017 have delivered their speeches and the years 4/5/6 and staff have voted. The results of this voting will not be known until the last parade of the last week of school.

Today the student body and many members of staff walked in our Purple Power Day. The afternoon walk raises funds to support the Cancer foundation to help with finding cures. Tolga State School community have strong connections with people we know or knew who have had cancer.

Next Wednesday 16th November we celebrate our Grandparents! Grandparents are invited to join our school parade at 8.45am in the morning and watch us celebrate with our students through Student of the Week, Gotchas and our choir and choric speakers will be performing as well. Then as the students go back to their classrooms – Grandparents will be able to tag along and visit. Morning tea will be provided at 10.00am. RSVP by Monday 14 November at 4pm is required to know the numbers of people who might be in attendance on the day.

Family Photos which is a P&C initiative occurs this weekend at school.

Parents please remind your children about drinking water at school especially with the current heat that is being experienced. We try to remind the children that in the second break they need to have some time out of the sun to cool down and re-hydrate.

Good luck to our Tolga cricketing girls who will be off to Brisbane to represent FNQ region in the championships next week.

I hope you all have a great weekend,

Regards,

Kayleen Wright
