**District Cross Country Winners**

Well Done to all the students who participated in Butchers Creek District Cross Country last week.

Congratulations to our Tolga State School winners: Samika Sheahan (4th-8yo), Jacob Muoio (2nd-8yo), Lucas Kattenberg (3rd-8yo), Demi Cook (5th-9yo), Matthew Nielsen (3rd-10yo), Matthew Heggie (5th-10yo) and Georgie Rockley (1st-10yo).

A huge congratulations to Georgie Rockley who broke the record for the second year in a row.

Matthew Nielsen, Matthew Heggie and Georgie Rockley will compete for Atherton District in the Peninsula Trials in Cairns on May 20. Good luck.
Dear Parents/Carers,

Next week the men will start the air conditioning work at school. The first building will be G block which is the support services room and music. Support services will be found in the office between Mrs Collins (2A) and Mrs Fox (Prep B) for approximately a week. Mrs Toshach and Instrumental music will be moving to the conference room in the Library. This will be the easiest move for us out of all of the work that has to occur. These buildings will be totally locked off to all except to the Tradesmen.

Information about further changes will be provided as the work continues.

Congratulations to all of the students who ran at the District Cross Country race recently held at Butchers Creek State School. Everybody who attended ran well! There have been some questions asked about the registration cost inflicted on parents who have to take their children to the District Cross Country event. We will review this practice for next year.

The date for the Student Fancy Dress dance is Friday 26th August – it’s time to start planning for costumes. This is always an enjoyable event, be sure to mark the date on your calendar.

Have you caught up with your child’s teacher? If not please make an appointment with the appropriate teacher and have a conversation on the progress being made.

Years 3 and 5 have been completing in NAPLAN tests this week – everything has gone smoothly with the children putting a strong effort in each session. The results of these tests will be known later in the year.

I hope that you all have a great weekend.

Regards,
Kayleen
