Enrichment Maths Workshop

We have invited “Fun With Maths Pty Ltd” to return to our school this year after the great success in 2015. This incursion will be at our school on 5th & 6th October 2016.

They offer a range of creative, problem solving activities suitable for your child’s level of Maths. All their activities use “hands-on” materials to develop understanding and solve “real-life” problems. The children work in pairs and can move around.

The activities use “Thinking Mathematical” strategies from the Australian Curriculum and previous NAPLAN test questions.

Parents are welcome to attend. Please see your class teacher to identify when your child is accessing these activities.

Week/Highest Attendance:

9 Prep B with 98.52%  
Goal 95%

Back Row L-R Kiarna McIntosh, Talyltha MacDonald, Jhai Mehmet, Ryleigh Sheahan, Max Williams, Alan Kilpatrick, Robbie Masasso, Rebecca Setford

Front L-R Toby Fealy (Mareeba SS), Tylah Harris, Cooper Steptoe, Jamie Masasso, Cooper Mcintosh, Missing Jack Fealy (Mareeba SS)
Dear Parents and Carers,

The last couple of days of Term 3 have arrived and today the P&C organised for the children to have a sausage sizzle lunch. The delicious smells wafting around the school made us all very hungry early in the day.

During this term I asked staff and parents to be involved in updating our school values. These values will be instilled in our lessons and woven into the fabric of all that we do at school. I received an abundance of responses from the families of the school with the following values being chosen by our community:

- Caring
- Good communicators
- Hardworking (will also include persistence)
- Problem solvers (will also include resilience)
- Fair

The school rules of being safe, respectful and responsible learners remains the overarching direction for students.

Please remember that school resumes next term on Tuesday 4th October with the Monday being a public holiday.

I hope every student has a great holiday break with their families. We look forward to seeing you all next term.

Regards,

Kayleen Wright
Principal

**Mini Olympics**

Year 4/5 created a mini Olympics for prep students. Students created a variety of different activities including throwing games, obstacle courses and pop the balloon. The children from Prep A thoroughly enjoyed the activities especially receiving gold, silver and bronze medals. **Well done to all year 4/5 students!**

---

**Students of the Week**

**Enter the TUH ‘Big Thank You’ competition**

Win: Cash prizes for our school to buy resources

How: Students write a thank you note to a teacher, staff member or librarian who inspires them to read

Closes: 25 November 2016
