Dear Parents/Carers,

I would like to thank all those parents, students and teachers who attended the ANZAC parade and marched on Monday. A special thanks to Mr Carl Stroud for organising the flag and wreath for the march and Belinda Johnston (Deputy Principal) for taking the lead with the march on my behalf as I was unwell and unable to march. Congratulations also to Emily Collins who read, Alex and Kayden for laying the wreath and who had their picture in the local paper. I know there were other parents and students at the march who were their representing other organisations cheering – Well Done to all and thank you.

Parents of Year 3 & Year 5 students there is a NAPLAN flyer outlining the processes, dates and some answers to questions that has accompanied this newsletter – so if you have not received it please ask your child.

The School Improvement Unit review executive summary has been uploaded onto the website for you to have a read. The full review report is available in a paper copy through the office or we can email a copy to you if you request it.

The initial work for the air-conditioning has begun and we are also having an upgrade to expand the broadband width at the school as well. At the moment disruptions are being kept to a minimum.

Did you know that very shortly the Dentist van will be moving on so if you have not accessed this service then maybe taking the opportunity would be a good idea now.

Congratulations to all the students who have gained the right to represent a sport at the regional level. Special Congratulations to Ty Lynch-Simmons who is going to Mackay to represent Far North Qld in Basketball.

Our positive behaviour learning this week is about “keeping our hands and feet to ourselves” – please talk to your children about what this looks like at school to assist us with good behaviour outcomes for all.

This weekend is another long weekend! I hope that you all have a great weekend and please take care on the roads.

Regards,
Kayleen Wright

**“Aussie National Day Celebration”**

Date: 29th May 2016 - Sunday evening

Time: 7.30pm – 8.30pm

Venue: Tolga Community Church, 65 Main Street, Tolga.

National Day of Thanks. Formerly known as National Day of Thanksgiving to avoid confusion with America’s Thanksgiving Day. This Aussie National Day is about being thankful. First to God for the nation we live in and the blessings and freedoms we enjoy. The second part is thanking each other – thanking those who have made a difference in our lives and the life of the community.

Thank you on behalf of the Atherton Christian Leaders (A.C.L.)

**CLASS PARENT LIAISONS NEEDED!**

We still need volunteers! Would you like to help out at school but don’t have much time? You could be a parent liaison for your class. All it takes is to gather email addresses from your child’s class (your teacher will help by collecting the forms) and then you liaise with your child’s teacher to send out the occasional update or reminder. All from the comfort of your computer! We have 15 classes this year but so far only two parent liaison volunteers - WE NEED YOU!

Please contact your teacher if you’re interested or Bindi Rose (P&C secretary) 0410457069 or bindivg@hotmail.com

The Lost Property Box Is STILL Overflowing!

Please remember to name all belongings. This will help us return misplaced items to their owners. We have a lot of lunch boxes and items from swimming from last term that need to be returned. Please feel free to come and have a look through the box for missing belongings.
