Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:
- Utilize the reading component of the FNQ Improving Teacher System to guide instructional and teacher capability development.
- Ensure that contemporary research and evidence based strategies are utilized e.g. Archer & Hughes, Hollingsworth and Ybarra, Hattie, Bayetto (Big 6), OFSTED (Reading by six), Rose Report.
- Student performance data fortnightly building to monthly across the year.
- Develop individual plans for identified students who are requiring extra assistance to achieve National minimum standards.
- Improve student resources for use in the classroom.
- Networking with Pre-Prep organizations who are feeder centres to Tolga State School.
- Engage local parents with pre-prep children not at pre-prep centres.

These strategies will be refined and continue to be embedded in the school improvement plan to ensure that every student succeeds.
