**Rugby League Gala Day**

Last Friday Tolga State School competed in the NRL Development Cup. The team was made up of Connor T, Aiden S, Jesse, Dalton, Max W, Brennan, Conner W, Levi P, Adam, Jhai, Braith, Mathew S, Darcy, Travis, Kayden, Talytha along with Douglas from Walkamin. All students had a great day and many experienced tackling and running the football in a match for the first time. Special mention to all students for very good effort, sportsmanship and behaviour, to Talytha who nearly scored a try and mixed it with the boys and to Jhai and Mathew who have been selected in the Atherton squad to go to Innisfail.

---

**School Leaders**

Emily Collins, Lindsay McFarlane, Kayden McLaren & Alexander Vollert attended a 3 day camp at the Tinaroo Environmental Education Centre to develop their leadership skills. The group, along with other leaders in our region, worked on 10 skills to help develop a good leader: Model Behaviours, Organise, Delegate, Communicate Clearly, Listen, Encourage, Support, Evaluate, Show Initiative & Make Decisions. The lessons encouraged our leaders to step outside of their comfort zone and gave them the opportunity to share their strengths. The team of 17 leaders worked together to solve problems, support each other and develop connections that will help them all achieve their leadership goals. Homework was set at the end of the three days and all students needed to identify leadership skills they are endeavouring to work on throughout the first semester.

Our goals:

Emily Collins – **Encourage** to make others feel good about themselves and believe they are able to achieve or keep up with others.

Lindsay McFarlane – **Support** listen to others, help them, reassure and encourage them.

Kayden McLaren – **Delegate** to share tasks by communicating clearly what needs to be done and through providing positive feedback.

Alexander Vollert – **Show Initiative** begin jobs without waiting to be told.
