WANTED
BOOK SPONSORS

The Tolga P&C understand that many parents cannot attend the monthly meeting but would like to contribute in some way. Here is an opportunity to support the Tolga State School P&C as well as our Tolga students. To keep up with the national curriculum the school library must purchase a new set of atlases and thesauruses. If bought in bulk (by the library) the cost of each book will be $25. Parents are invited to sponsor a book and in return you can have your child’s name (or family name) inscribed in the front of the book. Alternatively you could have your business’ name inscribed in the book as a record of your contribution. Payments can be made at the tuckshop and receipts can be given. Thank you for your support. School Wide Positive Behaviour Learning (SWPBL)

The SWPBL is a group of people that include: teachers, teacher aides and parents, that meet on a regular basis to work together to bring positive behaviour learning to our school.

This week’s SWPBL FOCUS...

“WALK ZONE”

On parade this week our “Walk Zone” was introduced to reduce the number of accidents occurring between buildings and is based on our rule “Be Safe.” Students are now required to WALK in the designated areas that are highlighted in red on the school map below.

Watch this space for future information from our SWPBL team!

Tolga Netta Team

Under 10 Tolga Netta Team played 7 round robin games on Friday, 8 August, in Cairns. Our team displayed exceptional sportsmanship and were a fine representation of the Tolga school values. It was a participation carnival to build an interest in the sport of netball and to learn to work in a team.

Most of our team have only started to learn to play netball this year and others had not set foot on a netball court until a week before the carnival.

All girls improved enormously throughout the carnival and had a great time. Thanks to all the parents who supported the team on the day.

ICAS Science Results

These students, Year 7 – Credit, Year 6- Credit, Year 3 -Participation, Year 5– Participation and Year 4- Participation, sat the ICAS Science Assessment on Wednesday, 4 June. Well done.

Children’s Book Week 16 – 22 August

Children’s Book Week starts next week and students of all ages can find a good read on the 2014 Book of the Year shortlist. This year’s theme is ‘Connect to reading – reading to connect’ and highlights the benefits of exploring other people’s stories.

The reading period for the Premier’s Reading Challenge closes on 5 September. All registered students — make sure you are on track to meet your reading target before the deadline.

Tolga Athletes

Approximately 15 students will travel to Cairns on Sunday, 17 and Monday, 18 August, to represent the Atherton District at the Peninsula trials in Cairns for Athletics.

All the best to all competitors.

Book Fair 2014

Thank you to all the parents, students and community members who supported out 2014 Book Fair. Final tally is not yet available but it is anticipated that we will have raised over $1000 to purchase resources for the school.

The Tolga School community is to be commended on their continuing support for this function.

Well done.

School Survey

Thank you to all the parents/caregivers, students and school staff who completed this year’s School Opinion survey. We look forward to reviewing our survey results when we receive our school report later this year.
