Dear Parents/Carers,

A big “HELLO” to the Tolga State School students, families and of course the wonderful community. My name is Barry Jones and I have the privilege to join your beautiful school for the last few weeks of Term 1. I have a ‘leave pass’ from my current position of Principal at Millaa Millaa State School to be a part of the great teaching and learning team.

I have been living and teaching on the Tablelands for a few years now, in both primary and junior secondary classrooms and have been fortunate to be Head of Department and Principal. My belief is that every child can succeed with the right support and guidance, which is fantastic because this also reflects the current vision of Tolga State School: ‘dedicated to enabling every child to succeed and realise their potential’.

I also believe that we should make the most of every minute or every moment we have. I tell students to ‘make every minute count’. And yes, while this does relate to attendance to school (something Tolga does extremely well with 95%+), I refer to every child attending every lesson. That is, they’re focused and take responsibility for their choice to learn and interact with others.

Beyond learning ‘making every minute count’ also lends itself to other things that are most important: our friendships and things we enjoy that make us feel great. Being kind to each other, using our manners, checking in and looking out for one another is equally as important. We would much prefer enjoying our lunchtimes with friends and peers, doing things we really like than to have to catch up on missed work or talk about our behaviour.

I have to congratulate Ms Wright, the staff and of course the students for their tremendous start to the year and I’m sure we are all wondering where Term 1 has gone. We are in Week 7 already! There are going to be many great things planned for the rest of the term so our aim is to have all students come along and join in. Let’s keep the focus on learning and making every minute count.

Until next time,
Barry Jones, Deputy Principal

CROSS COUNTRY 2020
Dust off the boots, fill up your water bottle and get ready for a run in the sun! Our annual inter-house cross country is on Monday 23rd March here at Tolga school and we expect great things from our Sports Houses Tinaroo and Tandara. We still need volunteers so if you can assist on the day between 9am to 11am please see the office.

Tolga State School P&C Committee
A very well attended Annual General Meeting was held on Monday 9 March at school with the priority task of the evening to elect our 2020 executives. The P&C are very pleased to announce the following persons and roles:

- President Richard Standen
- Vice President/s Kellie Koci & Emily Egan
- Secretary Nikki Paul
- Treasurer Cassie Twine
- Tuckshop Convenor Kursty Joy
- Tuckshop Liaison Officer Margaret Kochi

We appreciate the above people nominating and volunteering for the role to support our school community. We are certain they will lead the P&C committee and achieve awesome things in 2020.
